

www.eraplast.com.tr

A person wearing a blue long-sleeved shirt and blue jeans is standing at a table. On the table is a yellow bag with a black handle. The person appears to be working or organizing items on the table. The background is slightly blurred, showing what might be a workshop or a storage area. A large, semi-transparent red circle is overlaid on the left side of the image, partially obscuring the person and the table.
